

“T75” & “T105”

# COATED COLD PEEL PAPERS

OFFSET  
LITHO  
PRINTING

## PRINTING METHOD

- Offset litho printing + screen printing of a back-up with conventional inks (T75, T105)
- Offset litho printing + screen printing of a back-up with water-based inks (T105)

## MAIN ADVANTAGES

- Optimal offset litho printing result without using an excessive amount of ink
- No curl
- Good dimensional stability
- Easy to peel
- 100% ink transfer
- No ink offset thanks to double side release coating
- Environmentally and customer friendly, when used with suitable water-based ink backing (T105)
